

Student Title IV Credit Authorization Form

Funds received under the Title IV programs include Federal Stafford Loan, Federal Perkins Loan, Federal PLUS Loan, Federal Pell Grant, Federal SEOG, Federal ACG, and Federal NSMART Grant funds. If you have a Title IV credit balance from the disbursement of these funds to your student account at any time during the school year, the University is required by government regulations to obtain your permission to apply the credit balance to prior year or future term charges. If you do not grant authorization, your federal financial aid and loans cannot be used to pay for charges other than tuition, fees, University housing and meal plans. This may negatively affect any financial plan you have in place. If you have any questions about this form or about Title IV funds you have received, please call Student Financial Services at 617.373.3190 or email us at sfs@neu.edu.*

If all current year institutional charges are paid, I further authorize any Title IV fund credit balance to pay any minor outstanding University charges from prior years, not to exceed \$200.

I agree disagree with the above statement.

I authorize Northeastern University to retain any excess Title IV funds on my account to pay for charges incurred in the academic year in which the credit balance occurred.

I agree disagree with the above statement.

I understand that this authorization to apply Title IV funds to and retain Title IV credit balances on my account is voluntary and remains in effect for the duration of my Northeastern University education.
