

What is NU student temps ?

NU Student Temps is a new initiative that seeks to fill on-campus temporary employment opportunities with our talented Northeastern students focusing on the international population.

Why use NU student temps ?

Employer Benefits

-  Receive excellent and ambitious students looking to build their portfolios and establish their 'brand'
-  Receive qualified help - students are placed by NU Student Temps through skills assessments, previous experience and with degree and career aspirations in mind
-  NU Student Temps will only charge an additional flat rate service fee of \$5 on every hour worked by the student. This is a fraction of the cost of utilizing outside temp agencies

REINVEST Revenue back into the student population and scholarships

Student Benefits

-  Experience for their degree and future career
-  A chance to build their resume and networks
-  Cultivate an affinity for the university and life-long learning network
-  Earn money to assist with educational expenses
