Parent Title IV Credit Authorization Form

If your student has a Title IV credit balance at any time during the academic year, the university is required by government regulations to obtain permission to apply the credit balance to prior year or future term charges. Funds received under the Title IV programs include Federal Parent PLUS Loan funds. If you do not grant authorization, these funds cannot be used to pay for charges other than tuition, fees, university housing, and meal plans. This may negatively affect any financial plan you have in place for your student.

If you have any questions about this form or about Title IV funds you have received, please call Student Financial Services at 617.373.3190 or email us at sfs@northeastern.edu.
