

2021–2022 Financial Aid Checklist

For Returning Undergraduate Students

- Complete the [Free Application for Federal Student Aid \(FAFSA\)](#) between **October 1 and April 1**. If eligible, use the IRS Data Retrieval Tool, which allows you and your parent(s) to access IRS tax return information and transfer the required data to your FAFSA.*
Northeastern Code: 002199
- Respond promptly to any request for additional documentation. If you have been selected for verification and additional documentation is necessary, you must submit these materials before a financial aid award can be prepared.
- Awards will be available beginning mid-July, and students will be notified via email to their Northeastern account.
- Review your award and contact our office if your enrollment plans change or if you choose to cancel or reduce a portion of your financial aid.
- New loan borrowers must complete necessary documentation (if accepting loans). Documents may include Federal Student Loan Entrance Counseling, Master Promissory Note, Self-Certification Form, and Title IV Credit Authorization.
- Notify our office if you will be receiving other forms of financial assistance not reflected on your financial aid award, such as outside scholarships.
- Secure [financing options](#), such as supplemental and private loans, or enroll in the monthly payment plan by the due date.

**Returning students are not required to complete the CSS Profile.*
