Northeastern University is providing emergency grants to eligible students from the Higher Education Emergency Relief Fund (HEERF), under the CARES Act, to support our learners who have been adversely impacted by COVID-19 campus disruptions. To promote transparency and comply with Section 18004(e) of the CARES Act, we are providing the following public information:

4. The estimated total number of Northeastern students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants under Section 18004(a)(1) of the CARES Act is 21,129.
5. A total number of students who have received an Emergency Financial Aid Grant under Section 18004(a)(1) of the CARES Act is 2,091 as of December 31, 2020.
6. Northeastern determined which students would receive Emergency Financial Aid Grants based upon the CARES Grant application and verification of Title IV aid eligibility. To determine award amounts, the university instituted upper limits for some expense categories as well as an aggregate individual grant limit equivalent to the maximum Pell Grant, as recommended by the Department of Education. The university also considered financial support applicants have or will receive.
7. On April 24, 2020, all students were notified via email that Northeastern would receive and distribute Emergency Financial Aid Grants under the CARES Act. Students were directed to the [FAQ page](#) for further information and a link to the 2019-2020 online application. The 2019-2020 application closed on May 28, 2020. The university continued to review applications and distribute Emergency Financial Aid Grants after the 2019-2020 application closed. In Fall 2020, university offices referred eligible students who disclosed financial hardship due to the national emergency to submit a 2020-2021 application for any remaining HEERF funds.
